TESORO TIMBERLUX

LIFETIME LIMITED RESIDENTIAL WEAR LAYER WARRANTY

The factory provides a Lifetime Limited Warranty that the finish layer of Engineered Vinyl will not wear through. 'Wear Through' is defined as surface that has been worn to such an extent as to expose and damage the core material. This 'Wear Through' must be present in over 5% of the total installation. Should this defect be determined to have occurred, the factory will arrange credit, on a pro-rated basis as outlined below. Products that were determined to be defective or damaged resulting from improper installation would not constitute a valid claim under this Limited Warranty. The factory reserves the right to inspect any claim and request photographs and/or samples prior to approving such claim. This warranty is non-transferable, valid to original purchaser only.

Dull finish can be corrected with spot or overall recoating care systems.

3. Noncompliance with installation instructions and maintenance guidelines as recommended by the factory.
4. Floor covering installed in inappropriate locations is excluded from this warranty.
