LUXURY

ENGINEERED PLANKS & TILES
WITH WATERPROOF STONE-CORE TECHNOLOGY

- **V-LUX** is a 100% waterproof floor that looks & feels like real stone.
- **V-LUX** can be installed in virtually any room in a home including kitchens, full bathrooms and basements.
- **V-LUX** is quick and easy to install! It features a Unilin™ Click system and can be installed immediately with no acclimation needed.
- **V-LUX** tiles are rigid and can be installed over most subfloors with no subfloor telegraphing concerns (See installation instructions for more information).
- **V-LUX** is a floating floor that does not require glue – for installation score and snap with a utility knife or use a miter or circular saw for clean cuts.
- **V-LUX** has an anti-microbial finish on top and a rubber pad underlayment attached on the bottom making it a quieter, warmer and more comfortable floor.
- **V-LUX** is FloorScore® certified and GreenGuard Gold certified.
- **V-LUX** is Phthalate-free, Formaldehyde-free and meets California Carb II requirements.
- **V-LUX** is easy to clean & maintain: simply sweep or damp mop.

TESTING & WARRANTIES:

- Visit iwtttesoro.com website for IIC/STC test results & additional test results.
- Limited Lifetime Residential Warranty
- 10-year Limited Light Commercial Warranty
